

Hostess,

I'm looking forward to our show. I just want you to know how much I appreciate you helping me get started with getting my new business off the ground; it truly means the world. You ladies are going to have an amazing time while you get SPOILED ROTTEN with facials & scrubs! They will feel like they just spent the day at the spa. I find the best way to invite your friends is to make sure they know we will be doing free facials and scrubs. Let them know you only have space for 3 - 5 guests and you would love for them to be one of them!! I've included some documents for you.

1) Arbonne Difference... If your guests want to know what makes us so special, here are a few reasons!

I will arrive at your home 30 minutes before the show, so I can set up and help you with anything you need. Please keep snacks and beverages simple, after all the whole point of this is for you to get together with your friends, have some fun and relax. Please feel free to contact me with any questions you may have, we want you and your friends/family to really enjoy this experience. Thank you again and I look forward to seeing you soon!
